

Troop 62

Pat's Peak Ski Trip - Dec 27th - 29th, 2009

Come join us for a ski trip to New Hampshire at Pat's Peak ski resort. We will be staying in the ski lodge on the mountain and skiing on Monday and Tuesday. This is a great place to learn to ski, so first time skiers are encouraged to come. Scouts should bring a bed roll or cot and a sleeping bag along with any personal gear they need for skiing or snow boarding. We will provide all the food and drink. The trip cost is \$50.00 per person plus the cost of your ski ticket package. We will leave from **Geissler's parking lot at 6pm on Sunday December 27th** and will return home on Tuesday night December 29th around 8pm. The money for the trip is due by the December 17th troop meeting. Parents and siblings are invited too! Please hand in attached permission slip and bottom half of flyer with your payment, thank you.
