

Winter backpacking / camping weekend at

Camp Mattatuck

Plymouth, CT

February 27 & 28, 2010

A heated cabin with bunks will be available, but scouts are invited to sleep outside in troop tents. We will be backpacking into the site (approximately ½ mile), so each scout will need a backpack for this trip. If a scout or leader doesn't have one, he or she may borrow a larger frame backpack (the troop owns about 10 of these) indefinitely for a \$20 refundable deposit. Small backpacks will not work for this purpose

We will cook meals in Patrols. Each Patrol must be careful in planning this trip, because all equipment needed to cook must be carried to the camp site.

To Bring: Sleeping pad/air mattress, sleeping bag, pillow, layers of clothing including winter jacket, hat and gloves, winter boots (not sneakers!), mug for hot drinks, water bottle, snowshoes if you have them, board games/cards, and, most of all, scout spirit!

If a scout intends to sleep in a tent, he must have a sleeping bag that will keep him warm through the night.

Cost: \$15 per scout and leader, due by February 18th troop meeting.

Leaving: 7:00 a.m. Saturday, February 27th from Geissler's parking lot.

Returning: Approx. noon on Sunday, February 28th (Scouts will phone parents)

Upcoming Events:

Mar 19-21 Camping in Western CT

Apr 8 Spring Court of Honor

Apr 16-20 Baltimore / Philadelphia Trip
