

## **Troop 62 Family Camping at Burlingame State Park**

**June 20-21, 2009**

Burlingame State Park in Charlestown RI has 3,100 acres of rocky woodland surrounding Watchaug Pond. It is a state park campground with swimming, fishing, hiking and full bathroom facilities. We will be tent camping in the Legiontown area in adjoining sites. We will be cooking as a troop for all meals.

**Family members of scouts are invited to come.**

We will be leaving on Saturday morning at 8am from the Geissler's parking lot and returning on Sunday afternoon about mid day.

The cost for the trip is \$25. This includes campground fees and all the food for the weekend.

Please sign up by the next troop meeting.
